

Did you know that during EID

Thursday, 25 August 2011 04:10 -

Did you know that during EID, Pamir Telecom will experience more than 50% influx to our daily traffic?

For those resellers that expect to see a great demand for calling during the upcoming EID festivities, be sure you are well prepared for all expected call volumes with ample credit to cover your services. Send your deposits in early to be sure your services remain open during EID.

- Be sure to send deposits in early before local banks close for the holiday.
- Want cheap deposits? Directly send your deposit amounts to our paypal account: sales@pamirwebs.com

If you have any questions, please contact sales@pamirwebs.com or custserv@pamirwebs.com

Sincerely,

RS Masror
