

Pamir Telecom India Increase

Monday, 05 May 2014 00:00 - Last Updated Tuesday, 06 May 2014 18:28

Dear Valued customer, As you all know rates to India will be increased as of May 5th. This increase came from all carriers in India. Pamir Telecom has nothing to do with the increase we are just adjusting our rates with the new rates.

We will keep negotiating the rates with our carriers in the coming days and weeks and try to reduce these rates for you to be more competitive.

Please contact your account manager if you have any questions

Thank you

Pamir Telecom
