

VoIP System Restored

Monday, 15 December 2014 18:08 -

Dear Customer,

We have just restored our VoIP system to all subscribers, resellers, retailers, call shops and companies, You can place your order now starting earning money from our reseller/agent/call shop program.

Our server works all over the world including blocked countries such as UAE, QATAR, KSA & More.

For any information, please contact us via contact page or live support button.

Thank you

Support Team
